### Balance Associates Architects

“What makes this house work is a simple form with complexity in the details and materials,” says architect Tom Lenchek, who designed a modern cabin to blend beautifully with its natural surroundings in eastern Washington’s Methow Valley.

Poss Architecture and Planning

“The Rocky Mountain architectural vernacular was reinterpreted, creating a unique collection of structures that carefully integrate into the rural site and produce a contemporary, modern-day working ranch,” architect Bill Poss says of this Aspen home.
